

To whom it may concern,

I am writing this letter to tell you that K-LOVE is the only Contemporary Christian radio station in this area that plays positive music 24 hours a day. I strongly suggest that K-LOVE NOT be allowed to be replaced by an LPFM broadcaster seeing that there are plenty of negative radio media already on our air waves. I am sure that you are aware of the phrase " garbage in, garbage out ". Even though we have the ability to choose, there is still the fact that what we listen to over the airwaves can affect what we choose to let come out of us. Therefore our community needs the chance to have great, positive music to listen to so that we can have the chance to make right choices. Thank you for your time, Randy Graham
